

Making the world better for people with periods.

Aunt Flow is on a mission to ensure every person has access to quality, free period products with a solution both customers and facilities teams can get behind. We help businesses and schools easily implement inclusive, sustainable period product programs.

Aunt Flow provides display boxes, wall-mounted and recessed dispensers that can be stocked with our sustainable tampons and pads.

Thousands of companies have joined the menstrual movement with Aunt Flow!

Founded in 2016, Aunt Flow is a certified WBENC woman-owned company headquartered in Columbus, Ohio.

"Hi! I'm Claire. I founded Aunt Flow after getting my period in public without the supplies needed. At 18-years-old, I dedicated my life to developing a solution to ensure businesses and schools could sustainably provide quality period products, for free in bathrooms. Aunt Flow products are made with organic cotton and we are constantly working to reduce our environmental impact."
